

The latest product release from Rhino-Rack for the 2005 Nissan Pathfinder. This new SXB system is vehicle specific and designed to give you greater flexibility for your load carrying needs.

Designed to mould securely around the Pathfinder's factory rails, we have ensured a maximum load rating of 100kg, while still maintaining our sleek Sportz profile. Enhance your new Pathfinder today and expand it's load carrying abilities.

### Part Number: SXBS6

• **Lifetime Warranty Applies**
